Elliana Ryan

Submitted by Susan Houlihan-Davis

Elliana Ryan is finishing SBCC with a 3.5 GPA. She is talented and dedicated in the classroom and the softball field. Elli is transferring to University of Hawaii at Manoa in Kinesiology. Even though she hasn't decided her ultimate career, she has worked in the SBCC athletic training program this past year. She helped prep her peers and teammates. Elliana took Sports Medicine classes in high school and realized that this field interested her enough to continue here. She was a huge impact to the softball team while juggling full time classes, work experience in the athletic training facility and part time work off campus. "I am starting to realize that I could see a future in athletic training.
